CHRONOLOGICAL EXAM PRACTICE

THE PAST-PAPER COLLECTION

One paper at a time.

A chronological collection of the downloaded Computer Science question papers, bringing Paper 1 and Paper 2 together in one volume.

I Paper 1 - Computer systems

25 source papers, arranged by year, session and variant.

II Paper 2 - Algorithms, programming and logic

25 source papers, preserving pseudocode, diagrams and tables.

III Original examination pages

Instructions, questions, marks and answer spaces remain intact.

IV Navigation built in

Clickable contents and PDF bookmarks for every paper.

The supplied collection contains 0478 papers. The cover uses both 0478 / 2210 for IGCSE and O Level practice.

QUESTIONS ONLY / NO ANSWERS OR WORKED SOLUTIONS
