TOPICAL NOTES & PRACTICE QUESTIONS

Make it make sense.
Then make it stick.

A study companion for focused revision: connect each topic with questions that help you apply your understanding.

1

Read the topic

Computer systems, algorithms, programming, databases and Boolean logic.

2

Recall the ideas

Revisit concepts and bring together what you have learned.

3

Apply your understanding

Move from notes to focused practice questions for Paper 1 and Paper 2.

A LITTLE PRACTICE.

A CLEARER UNDERSTANDING.
